Wireless Stereo Headset

H3050

This wireless headset is so lightweight and unobtrusive you could almost forget you're wearing it. If you have to take it off, the rotatable ear cups make it even slimmer and easier to stow away. The intelligent power-saving mode turns the headset off automatically if no signal is received after a set amount of time. In combination with eco-friendly lithium battery, this offers a battery life of up to 6 hours.

▸ 2.4 GHz audio transmission

Wireless audio enjoyment: The proven advanced 2.4 GHz standard offers you high quality audio transmission with a range of up to 10 m and 360° coverage.

▸ Built-in omnidirectional microphone

Listen up: the built-in omnidirectional microphone is hidden in the headsets casing and offers a high-quality voice transmission.

▸ Up to 6 hours battery life

Low energy consumption: Rapoo's latest energy-saving technology combined with the auto-off function means you can use this headset continuously for up to 6 hours
